

# 2017 Voting Membership Application

Solar Installers of Washington, Inc. (SIW) is a professional trade association established in October 2013 to be a unified voice for the common business interests of its members, particularly related to public policy, legislation, and governmental relations. SIW educates legislators and regulators while promoting public understanding about the impacts of policies related to solar energy inside the State of Washington. SIW also represents the interests of Washington-based solar installers in conversations with manufacturers, distributors and allies that routinely interact with its members. SIW intends to be a virtual organization relying upon the active involvement of its members in conference calls, virtual meetings and timely electronic communication. Visit <http://www.solarinstallersofwa.org/membership.html> to view the current Voting membership.

SIW represents you. As a member, you can help set the agenda for the future of solar energy in Washington. Membership is by invitation and organizations must qualify for membership. Only an organization headquartered and operating in the State of Washington that has as a primary commercial purpose to install solar/renewable energy systems is eligible for membership, provided they are sponsored into membership by a current Voting Member and receive a majority vote of approval by the SIW Board of Directors.
